Greenhill/Spay Day cont'd from p. 1

throughout March and April, Deanna, Director of SCA, will be out at Greenhill registering the cats who will be fixed that day by Dr. Maria Wilber. She usually fixes 15 females and 10-12 males in one day.

Thanks to Greenhill the number of unwanted

kittens being born this spring will be drastically reduced! SCA has greatly benefitted from this program as the same kitties we normally subsidize got financial help through Greenhill instead of us! However we are back on track with paid appointments starting May 1.

OTHER VETERINARIANS OFFER HELP FOR SPAY DAY

Amazon Park Animal Clinic offered to neuter over 40 male cats for Greenhill at no cost. Edgewood Veterinary Clinic and City Center Cat and Bird Clinic also offered to do some free spays and neuters. Thank you very much!!!!

What to give the mother who has everything?

How about a donation to SCA in Mum's name? Many of our friends and family are seeking to reduce their material possessions, and what better way to honor YOUR mother than to help the kitties?!? Send a donation along with the name and address of the honoree, and we will send out a lovely certificate in acknowledgment. Also perfect for birthdays, anniversaries...any old day, really! Send your check to SCA PO Box 26043, Eugene, OR 97402, or email Deanna at fixcats@hotmail.com with your donation request.
